

INVITATION

Dear Mr Mahinder Singh Randhawa,

On behalf of the organizing committee of the 3rd Maritime Silk Road Bridge Invitational Tournament in Quanzhou City, Fujian Province in 2026, I am honored and pleased to invite your representative team to participate in the event, which will be held from May 15th to 17th, 2026, at the Jinwei Holiday Hotel in Luojiang District, Quanzhou City, Fujian Province, China (Venue address: Aviation Tourism City, Luojiang District, Quanzhou City, Fujian Province).

In 2021, Quanzhou was listed as a World Cultural Heritage Site by UNESCO in recognition of its status as a world-class maritime trade hub during the Song and Yuan dynasties (10th–14th centuries), which witnessed the glory of ancient Chinese maritime trade and the integration of diverse cultures. In 2025, Quanzhou was recognized again by UNESCO as the City of Gastronomy, fully embodying the unique fusion of mountains and seas, fresh and elegant flavors, and diverse food culture. The event's arrangements will give you the opportunity to immerse yourself in the unique charm of China as it was during the Song and Yuan dynasties. You can visit numerous world cultural heritage sites and natural attractions, savor delicious Quanzhou cuisine, and enhance your competition experience. We warmly welcome everyone to Quanzhou to participate in the tournament and experience a journey of mountains, rivers, and culinary delights!

It covers partial free accommodation, some catering services (as described below), accidental death and disability (AD&D) insurance, and participation in the event.

This tournament is specially designed to provide free support for one team from each invited country, as well as from Hong Kong, Macao, and Taiwan. Specifically, it offers three nights of free accommodation from May 14th to 17th (two double rooms per night), and free breakfast and lunch from May 15th to 17th. Additionally, to enhance the appeal of the event, if the second team from any invited country or region includes two or more medalists from the 2018 Jakarta or 2022 Hangzhou Asian Games, the entire team will also enjoy the above free benefits. Additional fees may be required for specific needs.
