

Penang Bridge Congress 2020

March 2022

We hope that you are all well and staying safe and we are now in position to give you the news that you have been waiting to hear.

We have been maintaining quiet and diplomatic contact with the VOUK Group regarding refunding of the Congress pre-payments, ever since we had to cancel the event.

I am delighted to advise you all that our approach has born fruit. The VOUK Group have recently reconfirmed their commitment to repay all the Congress pre-payments made by the PCBS. In addition they have already made the first of three tranches that will repay the whole amount originally paid to them by the PCBS..

I will be contacting all Team Captains in the near future to get their instructions regarding how to make the individual repayments.

We appreciate the patience that you have all shown during these difficult times.
